

**The extra space you need to suit dishes of all shapes and sizes**

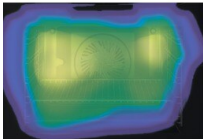

At 90cm wide, this oven is wider than standard ovens. So when you're cooking for a party – or using a large, specialist dish – you've got the space you need.

**Product Benefits & Features**
**Get a virtual peek inside your dish**

This FoodProbe gives you a virtual look inside your food so you can check on how it is cooking. What's more, it switches off the oven when your dish is ready.

**The oven door that stays cool to the touch**

Thanks to great insulation, the door stays cool. Never more than 20°C warmer than room temperature, it is always safe to touch.
