

Your dishes, consistently delicious

With the 600 SurroundCook® Oven, everything from crisp roast chicken to delicate meringues are cooked evenly. Our oven makes sure the internal temperature is consistent throughout, as the fan circulates air and heat. So you no longer need to turn dishes or adjust trays.

Product Benefits & Features

Evenly cooked with Multilevel cooking

Enjoy even cooking with Multilevel cooking. The additional heating ring means you can cook evenly across three levels. Perfect for creating the fudgiest cookies and sumptuous pies.

Easy cleaning with AquaClean

Cleaning after cooking doesn't need to be a chore - our oven cleans by harnessing the power of humidity. AquaClean evaporates the water at the bottom of the oven and steam loosens otherwise stubborn grease and residue left on its surfaces. So you can easily achieve a natural clean.

Precise settings with our LED timer display

It's easy to keep track of your dishes with our LED timer display. You can easily set exact cooking times and monitor dishes as they cook. It gives you total control of the oven, so you can unleash your culinary creativity.

Quick and effective, Even Cooking

Our Even Cooking system circulates heat throughout the oven, making sure everything is cooked evenly. All without the need to turn your dish. Our technology means your oven heats up faster saving you time and energy.

Bake more at once with the XL Baking Tray

Expand the realms of deliciousness with our XL Baking Tray that lets you to cook more at once. It's time to perfect fluffy cupcakes for a mid-afternoon treat or a savoury meatloaf for friends. Because more room means more great recipes.

- Oven cooking functions: Bottom heat, Conventional/Traditional cooking, Fast grilling, Grilling, Light, Moist fan baking, Pizza setting, True fan cooking, Turbo grilling
- Built-in HxWxD (mm): 600 x 560 x 550
- Electronic oven functions overview: Acoustic signal, Duration, Minute minder, Time
- Multifunctional oven with ring heating element
- Oven energy class: A
- Oven cavity size: 0 l
- Oven cavity with 3 baking levels
- Grill heating element
- Trays supplied with the oven: 1 Dripping pan grey enamel, 1 Trivet chromed
- Thermotimer oven control
- Retractable knobs
- Easy to clean door
- Oven
- High gloss enamel oven lining, easy to clean
- Anti fingerprint stainless steel
- Built-in oven
- Grids supplied with the oven: 1 Wire shelf chromed high
- Appliance HxWxD (mm): 594 x 594 x 568
- Cooling fan
- A, Fan + Ring, 60x60 cm, Pop in / Pop out flat with sungrind controls, Aqua Clean Enamel, Net capacity: 72 l, Temperature range: 50°C - 275°C. Max temp on door: 40°C, Display color: White
- Halogen oven lighting
