

Product Benefits & Features

Crisp frying with air, not oil

Rapidly circulating hot air cooks all your foods to crisp perfection, without excess fat or grease.

- Roasting settings

Set and go

With a digital control panel and pre-set programs, perfect results are at your fingertips.

Easy cooking, easy cleaning

Removable dishwasher-safe frying basket makes cleaning easy.

Compact three-mode cooking

More than frying, this compact, versatile appliance also roasts and grills to perfection, oil free.
